Hanger / Tirella : 2512

The "Fergus" curtain article is crafted with the burn-out technique, creating a captivating play of light as it passes through.

Its surface features repeated printed vertical leaf patterns, with curved sheer areas that add softness and movement to the design.

Available in two refined colorways: a vibrant multicolor for a bold statement, and a sophisticated beige for a more subtle, elegant touch.

"Fergus" beautifully blends artistry and atmosphere for a unique interior experience.
