FIREPROOF

Collection | Collezione
Hanger / Tirella : 2519

"Fireproof" is a high-performance FR blackout curtain fabric, expertly crafted to meet the BS5867 fire safety standard, making it an ideal choice for contract and hospitality projects where fire resistance is essential.

Despite its robust functionality, "Fireproof" remains soft to the touch, offering a luxurious drape and refined finish that elevates any interior.

The blackout backing ensures complete light control and privacy, enhancing comfort in both residential and commercial spaces.

Available in a broad palette of earthy tones, as well as muted contemporary shades like soft mint and blush peach, this article brings subtle sophistication and safety together in perfect harmony.
