Introducing "Hairstyle," a distinctive and innovative curtain textile from the 2025 Sarlas In Style collection.
Crafted with the finest quality polyester yarns, this unique fabric showcases a remarkable design that combines elegance with an artistic edge.
Its standout feature is a 1-meter ringdove accent along the lower part, where delicate, hair-like threads emerge from the surface to create a striking 3D effect.
This textured detail adds a layer of tactile sophistication and visual depth, making it a perfect choice for spaces that celebrate individuality and style.
"Hairstyle" is available in three sophisticated shades: Natural, Mouse, and Mocha, each bringing a unique warmth and character to any room.
