LIVIANO

Collection | Collezione

Hanger / Tirella : 2604

The “Liviano – Linope – Natsu” Collection features an elegant selection of double-width curtain fabrics, distinguished by their airy character, natural texture, and understated sophistication.
“Liviano” showcase refined vertical stripes, expressed through wider and narrower repeats that subtly emerge from a neutral base, creating a harmonious sense of timeless elegance. All three articles are crafted from a fine blend of linen and polyester yarns, combining the authentic appeal of natural fibers with enhanced performance and durability.
The collection is available in curated palette of natural and linen-inspired tones, designed to complement a wide variety of contemporary and timeless interiors.

LINOPE

Collection | Collezione

Hanger / Tirella : 2604

The “Liviano – Linope – Natsu” Collection features an elegant selection of double-width curtain fabrics, distinguished by their airy character, natural texture, and understated sophistication.
“Linope” introduces a quieter, more minimal aesthetic. Free from stripes, its plain canvas design highlights the natural beauty and tactile character of the fabric, offering a relaxed yet sophisticated look.
All three articles are crafted from a fine blend of linen and polyester yarns, combining the authentic appeal of natural fibers with enhanced performance and durability. The collection is available in curated palette of natural and linen-inspired tones, designed to complement a wide variety of contemporary and timeless
