“Mud” is a versatile textile article, designed for both curtains and upholstery, featuring an impressive 315–320 cm width.

Woven from premium linen and polyester yarns, it showcases a rich natural texture while offering exceptional durability with 30.000 Martindale cycles, making it ideal for upholstery applications.

Available in 14 muted colorways, “Mud” is perfect for mixing and matching, bringing warmth, texture, and effortless sophistication to any project.
