The "Pnoes" curtain and light decoration article offers a harmonious blend of function and aesthetic appeal.

Soft to the touch, it provides gentle sun coverage when used as a curtain, creating a cozy and inviting ambiance.

Its subtle lino-colored base sets the tone for sophistication, while vertical stripes in sand, grey, powder, or aniline hues lend the fabric a chic, timeless elegance.

The understated palette and relaxed design strike a balance between refined style and effortless comfort, making it a versatile choice for both contemporary and classic interiors.
