Hanger / Tirella : 2615

"Savanna" is a truly distinctive textile, crafted from a predominantly natural blend of linen, viscose, and cotton.

Its surface reveals a striking digital print inspired by the wildlife of the savanna — lions, elephants, giraffes, and more — all illustrated in a minimal, contemporary style that instantly captures the eye.

Designed for both beauty and performance, "Savanna" is suitable for curtains, decorative, and upholstery, offering exceptional durability with 60.000 Martindale rubs.

It is available in three sophisticated base colorations — Ebony, Dune, and Mustard — each enhancing the fabric's artistic character.

Perfect for interiors seeking a refined safari–colonial aesthetic, "Savanna" brings the warmth, storytelling, and spirit of the wild into any space.
