Hanger / Tirella : 2535

The "Selfish" curtain article effortlessly blends simplicity with subtle intrigue.

At first glance, its structure appears as a loosely woven net, airy and understated.

But a closer look reveals its true charm — vertical braids of earthy colored yarns intricately woven into the mesh. This unexpected detail adds depth and movement to the design, creating a mesmerizing visual texture that shifts with the light.

Both minimal and artful, "Selfish" offers a modern take on sheer curtains, perfect for adding quiet sophistication to any interior.
